COVID-19 items

Matt talked to Chris about sanitation and they talked about keeping it going until the end of the year. We will revisit the park's sanitation approach at the beginning of the year after budgets are finalized.

5th Street Little League Fields

Brady Gunselman finished the field work that they wanted to get finished this year. The remaining work will finish in the spring. Matt followed up with Paul Ruhe with the Mobel Foundation about our ideas, but he hasn't heard back.

Old Town Lake

Jill noted that we are received \$1,310.00 from All Star Sports for the Old Town Lake apparel effort. A check will be provided by them, and it will be deposited into the Old Town Lake Fund.

Squirrels are eating the plastic on the back of the benches. We could use some kind of stuff they use for horses in a horse stall to keep them from chewing on things. Tom is going to follow up.

Fishing Pier and kayak launch were approved last month.

We will leave the porta potties at their locations until winter.

Matt is still working on restroom building. Brandon Betz said he will look at a cheaper roof and come up with some ideas.
